Shipping Policy

The Farmhouse offers shipping on many of our Projects and supplies so you can bring the fun of working on a painting or project to the comfort of your home. We ask that for any canvas painting kit that is purchased for a specific class, you purchase around 10 days in advance to allow for the supplies to be packaged and shipped to you by the time of your class. If you purchase with less time before the class start, not to worry, you can work on your project once you receive your kit (the link for the class will still be accessible to you!).

Due to the size and weight of materials, our large wood sign projects are not available for shipping; only in studio and pick up options available.

Thank you for your support and please let us know if you have any questions!
